AP WORLD HISTORY

Jessica Schenck

We will be using Stearns World Civilizations AP Edition for our textbook. Students will be reading ALL YEAR.

Homework Policy

KEEP CALM AND DO YOUR HOMEWORK

Homework will be given every day. Students will be given a reading guide calendar to see what page of the textbook is required every night. Other forms of homework will be posted on the board.

THIS IS AN AP CLASS!

Which means you will be held to higher standards than any other class you have taken. This is a COLLEGE LEVEL course and you will take a test on May 12. Students who sign up for AP must take the test at the end of the year.
